

# >> **GLOBECON PARTNER PROGRAM FOR FREIGHT FORWARDERS** Specializing in Service-Sensitive Clients & Time-Critical Accounts

Freight Forwarders partner with us because **we move freight more efficiently than anyone.** The way we see it, your containers are our containers. And with over 30 years of experience, we're not intimidated by the complexity of navigating the ports.

We have the experience and resources to know where the issues are buried in the world of port drayage, transportation and warehouse logistics, and we work to ensure that each customer's needs are met on every shipment.

*"GlobeCon goes above and beyond to help the customer and has always been a reliable partner for us."*

**Let's face it** - a lot of trucking and warehouse providers can't offer you peace of mind when it comes to meeting deadlines and getting the job done right. And when you're responsible for time-critical transportation and logistics operations, it's crucial to partner with a company you can always trust and count on.
